SUN BEAMS

By WALTER M. BARRETT

Truckee's new fire truck has arrived.

This will not be news to Truckee residents who were at home Monday night when the vehicle arrived and was paraded with lusty siren wailing under the guiding hand of Fire Chief Tom Dolley. But even though it is not news it's worth repeating. The new equipment fills a need long felt by Truckee and while it is sincerely hoped the shiny new apparatus never will be required, the added security of knowing that in an emergency is stands ready and capable, is well worth what it cost. Now if we can convince insurance companies that we are as well protected as any city of our size, there may be material reductions in our rates. Itwill not do any damage to ask anyway.

The twenty per cent gain in the postal receipts in Truckee during the last year bears out numerous other signs of better economic conditions in this area. As a business barometer, postal receipts have no equal on the general bearing of business and is more than gratifying to learn that the office here is showing such marked gains.

Incidentally, that 97 per cent effeciency mark earned by the postmaster and her capable assistant during the past year is a record of which to be proud.

Right or wrong, for eventually better or worse conditions, we deplore the fact that a strike is in progress at the Boca dam project. It certainly can not be scored as a benefit to the district and how it will aid the workers or their employer is a question we would hesitate to answer. There must soon be an end to striking or the entire country will be in a turmoil from which it will be exceedingly costly to emerge.

This trade at home business, we are told, is great stuff. We have been dicussing it with a buyer who not many weeks ago went out of town for practically everything needed, but who took a sporting chance and started trading at home. Now they are a true convert to the cause of fair play and find not only a lot of personal satisfaction in their new method of buying, but are actually saving money. Let's all try it a while.

The chamber of comerce, cooperating with the sanitary board, is taking steps to cleanup and keep Commercial row and the alleys clean. That is a splendid move, one which should win the endorcement of everyone interested in Truckee. One thing we were embarrassed to learn from a spokesman at the meeting was the fact that the Sierra Sun was one of five or six local businesses not contributing to this project. We were under the impression that we did contribute through assesments or taxes to the sanitary board, but it seems we were wrong. It's nice to find out those things even in a public meeting, although of course any kind of a notification in private would have brought results. We still don't know exactly what is expected, but whatever it is we will be glad to cooperate.

HARMONS LEAVE TO OBSERVE WEDDING DATE AT CAPITAL

Mr. and Mrs. E. H. Harmon, custodians of the San Francisco Fly Casting Club east of Truckee, left yesterday for Sacramento where they will visit for a few days.

The occasion is more than a casual visit. The popular couple will be observing their 31st wedding anniversary and accepting the congratulations of their scores of friends.

$334 COLLECTED IN FINES DURING MONTH

Fees and fines collected by Justice of the Peace C. E. Smith during the past month have swelled up the county treasury fund to the amount of $334. The money came principally from violators of the traffic laws.

LEGION TO ELECT NEW OFFICERS AT TUESDAY'S MEET

New officers for the Truckee Post of the American Legion will be elected at a meeting called for Tuesday night by Commander Harry Edwards. It was also expected that a report of the building committee in charge of plans for the new memorial hall will be heard. All members are urged to attend.

NEW FIRE TRUCK ARRIVES AFTER FINAL TRYOUTS

Equipment Is Latest Type Of Fire Fighting Machine On Market

READY FOR ACTION

Authorized Engineer, Drivers Are Named Here By Department

After being thoroughly tested, Truckee's new fire truck, which arrived here Monday afternoon is now stored in its new quarters on Commercial Row, ready for any emergency which might arise.

The equipment, valued at $3600 comprises a 1937 model Chevrolet chassis and one of the latest types pumps, capable of pumping from either river, wells, or hydrants. The pressure created, fireman declare, is more than will ever be required here.

One of the most valuable accessories is the 150-gallon emergency tank with 200 feet of heavy hose on a smooth running reel. The emergency tank is always under high pressure and ready for instant use.

New hooks and ladders, nozzles, spanners, hose and all other necessary apparatus is compactly loaded onto the chassis.

George Markell ofthe Stone Garage, a member of the department has been employed as engineer and will have charge of maintenance of the new equipment at fires as well as when the truck is idle.

Authorized drivers are Fire Chief Tom Dolley, Commissioner Frank Gaiennic, Assistant Chief Tony Pace and Secretary William Kocher. No one else will be permitted to drive or have any responsibility for the truck and equipment.

Paralytic Lost 24 Hours Found At Donner Lake

Unable To Call For Aid, Man Spends Day, Night In Ravine

After being lost and unable to call for assistoance for twenty-four hrs. in the rugged country west of Donner Lake, G. H. Hardesty, 54, a paralytic victim, was reported resting easily at his camp near Donner Lake this week.

Hardesty, with other members of the family from Modesto, was camping near Donner. Although virtually helpless, he wandered more than a mile from the camp, fell into a small ravine and being unable to call for aid, lay helpless all of last Thursday night and most of Friday before he was found by William Wakefield, a CCC worker from Rubicon Camp.

While scores of searchers frantically beat the brush in every direction, Hardesty later reported that several times searching parties passed near him, but that he was unable to call attention to his predicament.

The search was participated in by forest service men, Sheriff's officers, CCC workers and private citizens.

Nelson Stone, Truckee Forest Service guard, W. C. Winslow, dispatcher and Arthur Cobbledick and R. Schiltz, CCC foreman headed the searchers.

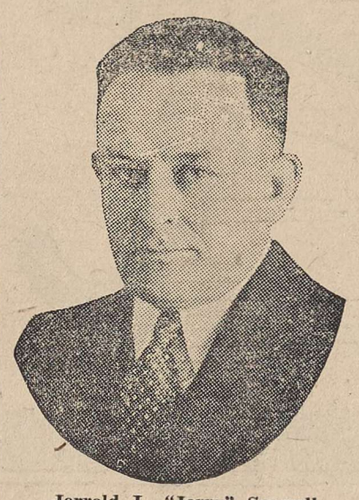
Hardesty apparently suffered no ill effects from the long exposure.

POWDER STOLEN FROM ROAD JOB

Officials of the Fredricksen and Westbrook Company contractors on the Donner Summit highway reported to Deputy Sheriff Tom Dolley this morning that during the past two days the powder house located at Soda Springs had been robbed of 600 pounds of Gelatine powder and perhaps an equal amount of giant powder. The powder was stored for use in building the new highway.

The chain holding the door had been filed or sawed off, Dolley was told.

Enters Race



Jerrold L. "Jerry" Seawell

Senator Seawell Announces Self In Lt. Gov. Race

"In To The Finish" Declares Roseville Man In Statement

The rumor of the candidacy of State Senator Jerrold L. Seawell for the position of Lieutenant Governor of California has ben verified according to reports from Roseville, his home city this week.

"Yes, I'm in the race to the finish, and it doesn't make a particle of difference who runs against me," the senator is said to have remarked, and it is believed that he will seek the nomination on the Democratic platform also, stating that he believed the office should be filled on a nonpartisian basis.

75 ATTEND MEET TO HONOR LODGE OFFICIAL HERE

More than 75 members and visitors assembled at Odd Fellows Hall here Saturday night when Donner Lodge presented a reception for Harry R. Farr, grand master of the state, who paid this district an official visit.

W. R. Birch, grand past master of Nevada and Waller Evans, deputy grand master of Carson City, were among the important speakers as as Mrs. Mudd, vice president of the Nevada Rebekah assembly.

Grand Master Frank Powell officiated and acted as master of ceremonies. Refreshments were enjoyed following the busy and entertaining session.

BANQUET HALL FOR MASONIC BUILDING BEING INSTALLED

Office rooms in the Masonic Hall building are being remodeled for a banquet hall to be used by the Masonic Lodge and Order of the Eastern Star.

On Tuesday evening the latter group will hold a supper in the newly renovated rooms on their meeting night, according to present plans.

SUPERVISORS MEET AS EQUALIZATION BOARD AT SESSION

The Nevada County board of Supervisors will remain in session until July 26 during which time the members will act as a board of equalization for the purpose of adjusting the assessment roll of the county.

Taxpayers wishing to object to their assessments as set out on the rolls of the county should present such protest to the board before the above date.

LAKE RODEO WILL BE HELD SUNDAY AT BIJOU GROUNDS

Plans have been completed for the Lake Tahoe Rodeo to be held Sunday at Bijou Park on the south end of the lake. A number of widely known known riders, including Jarsus Brothers, Nick Nicholsen of Reno, Ray Bishop of Placerville and the Garvana boys of Wadsworth and Z. E. Armstead will participate.

The parade will start at 1:30 p. m. and will be followed by the exhibitions.

REPORTED UNION ACTIVITIES IN BOCA CLOSE JOB

Big Project Shut Down As Membership Gains In C. I. O.

MEETINGS ARE HELD

Meeting May Be Held Here On Sunday; Circular Is Issued

More than 100 men employed on the new Boca dam project are idle today and work on the $1,000,000 diversion dam on the Little Truckee river has been suspended as the result, officials of the Condon Construction Company declare, of threatened strike activities.

The job was ordered shut down by the Omaha contractors.

Officials of the company met last night in Reno with union leaders but little in the way of a settlement was accomplished.

Work was suspended at noon yesterday by Superintendent George W. McGuire. Reason for the closure was reportd to be the organization of the workers on the project by the Committee of Industrial Organization, which claimed a membership of 95 of the 115 men employed. Reno American Federation of Labor officials deny this strength of the rival union, given by M. O. Wilburn, organizer.

Wilbur Cole, general manager of the Condon Company, arrived in Reno yesterday to attend last night's meeting. He said the company had never been involved in labor disputes and had always been friendly with the unions.

Cole denied reports that the Condon Company way paying less than scale wages, a charge made by the A. F. of L. and the C. I. O. He said common laborers were paid 50c an hour for a 40-hour week as compared with the government standard set at 45 cents.

One or two fist fights were reported at the project following the shutdown, but no major disturbance was reported. No pickets have been placed on the job.

It ws reported that the C. I. O. officials planned a mass meeting of the workers of the Boca job and the highway project at Donner in Truckee Sunday, but this was not verified.

A circular captioned "Know what to expect from the A.F.L. Fakers" and issued by the "Boca Tunnel & Construction Workers Union Local No. 395" was being circulated among the workers in this district, scoring the action of the rival union on other projects and demanding "peace and justice."

Committees For Year Selected At Lions Meet

President Edmunds Chooses Six Committees For Activities

Appointment of committees to serve during the coming year featured the meeting of the Truckee Lions club last night at the California Cafe. President C. Edmunds named the following on the various groups:

Membership: R. C. Gregory, Frank Gaiennie, William Englehart, Sr., A. P. Leitch.

Attendance: A. P. Leitch, chairman; A. M. Henry, A. Fontana, R. A. Tonini, Erle Martin.

Program: Englehart, H. T. Langille, William O'Hanrahan, Joe Duffee, E. D. Loynd.

Safety: Gaiennie, N. F. Mayfield, T. K. Oliver, Carl E. Smith, C. C. Cozzalio.

Community Betterment: Gregory, Clarence Bowers, C. E. Elliott, Judge C. E. Smith, W. F. Wilkie.

Sick Committee: Leitch and Englehart.

BUY IT IN TRUCKEE

Postal Receipts Set New Record In Volume Here

Gain Of $12,802 Reported At Local Office For Past Year

Establishing a new record and indicating the general economic conditions of the community, the Truckee post office during the year ending July 1 showed a gross increase in business of $12,802.45 or nearly 20 per cent over the preceeding year, Postmaster E. C. Bavier reports.

For the year ending July 1, 1936, the gross receipts were $75,899.29 and for the year just closed were $88,701.74.

It is claimed that the postal receipts came closer to being a true business barometer in a community than any other means of indicating the conditions. This being true, Truckee is enjoying its most prosperous times and is steadily gaining.

The stamp sales alone gained over $1100 during the year, while postal savings showed the biggest gain with $12,311 for the past year as compared with $9833 for the previous 12 months period, a gain of $3478.

Money order business leaped from $52,496.71 to $63,817.47 and bond sales showed a drop from $7600 to $5425, the only decrease noted in the report. Box rents went from $391.35 in 1935-36 to $448.10 during the past year.

In business effeciency, the post office was rated at 97 per cent, one of the highest ratings possible to receive.

Steps Taken To Remove Rubbish On Main Street

Sanitary Board May Employ Man To Keep Street Cleaned

Renewed efforts to bring about a more pleasing atmosphere on Commercial Row by removal of the accumulation of rubbish which mars the appearance of the thoroughfare will be undertaken by the Truckee Chamber of Commerce.

This was decided at the meeting held this week in which G. E. Hofmann, representing the local sanitary board, discussed ways and means of having the work done. He pointed out that at the present time a man was paid to empty the refuse cans placed along the street, but that the compensation did not permit the man to clean up the scattered debris.

Two or three plans are under consideration. One of which apparently met with the general approval was to employ a man, preferably A. Armati, who is now employed independently to do the cleaning up and pay him from the sanitary fund, even though a slight increase in assessments found necessary.

The matter will be taken up more in detail at a future meeting, but the point was stressed that something will have to be done if the unsightly appearance of the main street is to be corrected.

The committee from the Chamber of Commerce has discharged its duties by presenting the sanitary board with a resolution asking that that body, the only one empowered to act, take some action to eliminate the nuisance.

LUMBER COMPANY'S EMPLOYES ENJOY PICNIC ON SUMMIT

The Truckee-Tahoe Lumber Company employes and their families held a picnic at Lake Mary near Donner Summit on Sunday.

Games and a delicious picnic supper made the occasion an enjoyable one for those attending.

GARIBALDI TAKES JOB WITH TEXACO

James Garibaldi, car greasing expert, recently associated with the Union Service Station on Commercial Row, is now with Campbell Brothers at their Texaco Station on West Main Street. Garibaldi is declared to be a thorough and experienced expert greaser.

THRILLS FEATURE LAKE TAHOE BOAT RACES ON SUNDAY

Valuable Craft Destroyed In Flames Following Contests

FLEISHHACKER WINNER

Dollar's New Racer Comes In Second In Lake Tahoe Championship

(By Swanee)

Thrills and spills featured last Sunday's speed boat races off Tahoe Tavern pier, a crowd of several thousand witnessing the aquatic spectacle sponsored each year by the Lake Tahoe Power Boat Club.

Herbert Fleishhacker, Jr., in his speedy little green hydroplane Maybe-not 11, proved one of the biggest thrills of the day by capturing the lake championship race in 7:22 min. just three seconds ahead of Stanley Dollar's sleek new duraluminum racer, a 600 H. P. hydroplane, the Mercury. Many had expected Dollar to take this event but Fleishacker's speedster, good for only eight minutes of competition, nosed him out. Henry Kaiser Sr. in the Hornet placed third in 8:27 min., with John B. Metcalf's Tecolete 11 fourth in 10:08 min.

Resurts in other events were as follows: the Stephens won by Gordon Lacy of Stockton in the Lady Constance in 9:24 min., Mrs. J. Carroll Skinner driving the Florence M, second in 9:35 min., and Charles Townsend's Kanigo third in 10:03.

In the 300 H. P. event John B. Metcalf's Tecolete 11 placed first in 6:45 min, Randolph C. Walker's Ranjac second in 6:56 min, Henry Kaiser Sr.'s Miss Comfort (driven by Edward Kaiser despite a fractured kneecap) third in 7:00 min. and Edwin Letts Oliver's Hey There 111 (driven by Fredrick Greenlee who was pinch-hitter for Edwin Letts Jr. now in New York) and the Jr. 111 driven by Kaiser Jr. furnishing the spectators one of the big laughs of the day by crossing the finish line in a dead heat....both timed at 7:54 min.

The 200 H. P. race was taken by Charles Ehrman in the Jacqueline in 7:23 min., Henry Kaiser Jr. second in the Jr. 111 in 7:28 min., T. E. Anderson's TEA or Viking placed third in 7:43 and Edwin Letts Oliver's Hey There 111 fourth in 7:58 min.

The 'Bang and go back' novelty event went to Henry Kaiser Jr., Kaiser's Miss Comfort placing second and the Hey There third.

The red flag team took the relay in 10:45 min., winning boats consisting of Stanley Dollor's Mercury, Anderson's TEA and Townsend's Kanigo.

The handicap was won in 11 minutes by the Kanigo, Hey There 111, Florence M and Jr. 111. It was nearing the finish of this race that Stanley Dollar's Mercury, racing at high speed, fantastically twisted and slid out from under him and his mechanic, throwing them into the somewhat chilly water of the lake where both were picked up at once by another boat. The big shiny boat, which it is reported cuts off the gas the moment the accelerator is released, did not turn over, but drifted harmlessly a short distance ahead.

Officer Gene Walker of Tahoe was assisted on duty by Inspector Harvey Blackwell of Sacramento and Patrolman Ben Hepper of Tahoe's south end.

The next boat races will be held at Chamber's Lodge on August 8th a long entry list is anticipated.

Most of the spectators had departed when the one bad accident of the day occured. Moored at the pier, Henry Kaiser Sr.'s 'Bess' with 630 H. P. displacement, was being prepared for departure home by mechanic Howard Lindbergh, members of the family already seated. In some unexplained manner there was a sudden loud "swish" and flames broke out in several places on the boat. The occupants were hauled quickly to safety and Lindbergh took to the water, as fire fighting equipment was rushed from other boats and the Tavern. Several hundred dollars worth of cameras and furnishings were destroyed. Only a charred hull remains of the Bess, valued at between $4,000 and $5,000, covered by insurance.

WAR

War makes derelicts of men. It mashes their arms and legs, it tears out their lungs, leaves them disfigured, blind, crippled, paralyzed.

War kills men. It snuffs out youths in the bud of life, and men in their prime; great men....scientists, philosophers, literary geniuses, executives, laborers, poets.

War kills children, too, mere babies in arms....mothers, wives, sweethearts. When it does not kill these, it takes from them their dearest posession, the man whom their lives revolve, and leaves them flopping in the world, without anchor or shelter.

War leaves devestation in it's wake. Fields torn and shell-scarred heal, after awhile, but nature's provisions, so lavishly squandered never return. Depression, debt, poverty, breadlines, hunger, suicide.....these things follow war.

Today there is war in Spain, and men say there will be in our lifetimes, war over most of the world again. Lust for power, for land and for money lie beneath the countless millions of words, words, words, words now rising to a rumbling chaos of clamor.

And each word, each single word is a plaintive plea to the stars that says, "Have mercy on us!"

THE INDUSTRY OF DESTRUCTION

Any activity which, in a single state, involves more than three millions of dollars yearly might almost be called an industry. Yet is doubtful if Californians would care to claim that distinction for the crop of forest fires which in 1936 devasted 946,850 acres at a loss to the state of $3,173,705.

Figures released recently by Merritt B. Pratt of the State Bureau of Forestry revealed not only that California's forest fire bill last year was four times what it was in 1935 but that the staggering increase must be attributed in great part to negligence which can only be described as criminal. Of the 6113 seperate blazes reported to the Forestry Bureau during the twelve-month period, 139 were started by lightning and 724 were definitely proved to be of the incendiary origin. But the major responsibility for the holocaust which razed timber, blackened farm lands and damaged watersheds must be laid at the door of the thoughtless smoker and the careless camper.

Man has no recourse against the lightning. He can send the arsonist to jail, but how can he deal with three million dollars worth of negligence? Between the incendiaristand the man who unthinkingly flips a lighted cigarette into a pile of brush, there is this to be said of the former. By the very nature of his deed, the firebug is a mental case, but no such defence can be erected for the camper who leaves smoldering debris behind him. In the eyes of the law, be may be less guilty than the incendiarist, but to the people who must bear the cost of such destruction, his is the greater crime.

Forester Pratt's figures represent a new record which Californians would do well to wipe off the books.

Will He Ever Get It?

(Copyright, W. N. U.)

Politically Speaking

By GEORGE E. HELMER

(United Press Staff Correspondent)

SACRAMENTO, July 15, —(UP)—

The gradual start of campaigns for the 1938 election has brought definite indiction from friends of Gov. Frank F. Merriam that his administration has little fear of republican competition if the governor decides to run for re-election.

They figure that Merriam would have the inside track in the race for the G. O. P. nomination and could win it without too much trouble, particularly if a good sized field of competitors appeared.

The big fight, they forecast, would occur after the primary when the contest simmers down to the hectic drive between the republican and democratic finalists.

Belief was strenghtened among political observers that the governor would seek a second term unless something unforeseen developed in the meantime.

Latest candidate to enter the Lt. governorship race was State Senator Jerrold L. Seawell, Roseville, who has served the upper house during three sessions nd the assembly for two.

Seawell is registered a republican, but may seek the nomination of both major parties. He is regarded as one of the more liberal republicans in the senate and during the last session he did not always let his partisian beliefs influence his vote on important measures.

It was doubtful whether the 1938 primary would bring out any more candidates than there were listed in 1934, despite early talk that there would be a free-for-all race in both democratic and republican parties.

In 1934, there were 15 candidates for governor and 16 for lieutenant governor in the August primary. Merriam, then acting governor, had three republican opponents, former gov. C. C. Young, John R. Quinn and Raymond L. Haight. Merriam polled 115,000 more votes than his nearest competitor, Young. His three opponents totaled 469,820 to his 346,329 votes.

Upton Sinclair ran away with the democratic nomination in a race with eight opponents, winning a safe majority of the votes and beating George Creel, his closest competitor, by 148,000.

Merriam then went to win the November election after one of the bitterest political fights in Califonia's history.

George J. Hatfield and Sheridan Downey won the republican and democratic nominations, respectively, for lieutenant governor without much trouble. Hatfield had four opponents and Downey nine. Hatfield continued his pace to nose out Downey in November by nearly 220,000 votes, his margin of victory being a bit closer than Merriam's although he received more votes than Merriam.

Merriam and Raymond L. Haight were the only 1934 gubernatorial candidates who have been mentioned prominently thus far in the 1938 race. Hatfield and Downey may step up to the governorship contest, but none of the other 1934 lieutenant governor aspirants has received much mention this year.

Governor Merriam's approval of the O'Donnell tideland oil bill, which invalidated the Olson bill on the same subject, may injure Senator Culbert L. Olson's proposed bid for the democservers believed.

Olson could have made a big talking point of his victory in the long oil fight. But since his bill has been made inoperative his arguments along that line may lose some of their punch.

The governor, by a few strokes of a fountain pen, spoiled some of the campaign material of a prospective opponent.

Merriam, meanwhile, has a strong advantage not enjoyed by other pos-

ANOTHER WEDDING PERFORMED SUNDAY AT TAHOE CHAPEL

Another beautiful wedding ceremony was performed last Sunday at the picturesque Tahoe Episcopal chapel near the Tavern by Bishop Noel Porter. Miss Dorothy Rae Leonard of Salt Lake City was united in marriage to Charles Davis Barker of Nevada City, her father Dr. H. N. Leonard giving her away.

Miss Helen Barker was the bridal attendant and R. M. Barker was best man. A wedding breakfast at Tahoe Tavern preceded the newlyweds departure on a honeymoon of unannounced destination. Their home will be in Berkeley.

TWO BIRTHDAYS ARE FETED WITH BARBECUE PARTY

Tahoe City, July 15, —Mr. and Mrs. Sam Goss of Lake Forest were hosts on last Sunday evening to a group of friends and neighbors at a barbeque beach party on the lakeshore.

The occasion marked the celebration of two birthdays in the Goss family, that of their son Blake who turned 14 on Friday and Miss Leatrice Goss who became 12 on Sunday. Roasted weenies were included in the sumptous bill of fare which was topped off with ice cream. Guests included Mr. and Mrs. Lloyd Yeakel and son Rodney, Mr. and Mrs. John Campbell and son and daughter and Mr. and Mrs. Fred Werner and son Freddie, all of Newcastle, Mr. and Mrs. Sam Goss and family, and Mr. and Mrs. Richard Yeakel of Oakland.

THREE COUNTIES READY FOR FAIR

SACRAMENTO, July 15, —(UP)— Yolo, Sutter and Alameda counties are among the first to install booths at the State Fair grounds in Sacramento for the 83rd annual exposition, Sept. 3 to 12.

The State Department of Agriculture and Alta California, Inc. are two agencies having exhibits virtually completed. Mark G. Johnson, in charge of the Sutter County exhibit for the last several years is completely renovating the county's booth which captured the grand sweepstakes in 1936.

Tahoe . . . . Ramblings . .

(By SWANEE)

Mrs. Helen Clark Park has returned to her attractive lakeside home in Tahoe Park for the summer season. She has as houseguests her cousins, Mr. and Mrs. Albert Clark and family of Berkeley who plan to stay a week or ten days.

With their mother at Tahoe are Jimmie, Frances and Margaretta, the latter two being pupils at the local elementary school for the summer.

Miss Anne Park and her brothers Howard and Charles "Bim" to his family, are enjoying a leisurely tour of Europe with their grandmother Mrs. Edward H. Clark of New York City. Latest word from the globetrotters indicated that they planned visiting Ireland, Scotland, Norway, Sweden, France, where a ten day stay will be spent in Paris, and London, where two weeks will be enjoyed. They plan to return to America in mid-September. Howard and Charles will remain in the east where they attend school and Miss Anne will return to San Francisco where she will continue her business education. Mrs. Park is anticipating numerous guests over the coming week end.

Lowell Hawthorne, boy's buyer for J. C. Penny's New York store, who paid the pacific Coast a fleeting visit on business last week, rerouted his return trip home in order that he might spend a few hours with his old friends the Everett Prussos at their charming Forest Inn on Ward Creek. He was enchanted with the beauty of Tahoe and hopes to return again soon for a vacation.

Joe Re was a recent visitor in San Jose on business. A hasty professional call to Los Angeles afforded him the unexpected thrill of an airplane flight.

Richard C. Yeakel and wife of Oakland visited at the home of his parents Mr. and Mrs. Lloyd yeakel at Lake Forest last week end. They were accompanied by Mr. and Mrs. Al Loughlan of Oakland who stole a march on their friends and were married in Reno on July 4.

The many friends of ert Watson will be pleased to learn that he is reported steadily improving in health following his setback a week ago.

Mrs. Hazel Harkness of Lake Forest is also responding favorably to Tahoe's vigorating climate with continued mend in health.

District Attorney Chester C. McDonld and his wife of Woodland enjoyed the week end at their attractive Timberland Tract home at Tahoe.

Mr. and Mrs. Joseph Hauck and daughter Marjorie of San Francisco are the houseguest of Mr. J. T. Clark at his beautiful estate Guth-A-Win Ga in the Sunnyside district, opened by him last week end for the summer months.

Mr. and Mrs. Dan Gunsberger and his daughter Joan of San Mateo and Mr. and Mrs. P. G. Gucken of New York were guests at the Everett Prusso home last week. Mr. and Mrs. E. Giberson of Sacramento arrived on Monday to spend o week with the Prussos.

A short heavy rainstorm hit Tahoe on Monday following a week of sultry, cloudy weather and intermittent thunderstorms. Hail stones as large as marbles were reported to have fallen at King's Beach about 3:15 P. M. followed by a small cloudburst. Window panes in the district were declared broken by the ferocity of th storm. Traffic appeared below normal, although weekends continue lively.

Mr. and Mrs. Julius Zunino of Greenville were guests at the home of Arthur Delbo in Lake Forest last week.

Mr. and Mrs. Fred C. Walker and son Frd Jr., of Los Angeles are vacationing at their summer place in Homewood for two weeks. They are entertaining as their houseguests Mr. and Mrs. Harold Bassford of San Francisco and Mr. and Mrs. Clifford Lord of Los Angeles. Fred Jr. attended the races Sunday in his snappy little hydroplane the 'Mity Nice'.

Dr. and Mrs. G. B. Fuessel of Pasadena are again occupying their summer home on the lakeside in the Homewood district. The doctor opens his dental office each summer for the accomodation of vcationists and local residents, and is prepared to cope with any emergencies arising from troublesome molars.

Wayne Poulsen, University of Nevada student and ace skiier will spend the summer at Tahoe where he has been employed as truck driver by the Truckee-Tahoe Lumber Co.

Hannes Schroll, world famous Austrian ski champion, a guest of the Charles Ehrmans at their summer home here, was an interested specttaor at the boatraces Sunday. He was accompanied by Martin Arrouge, prominent Reno skiier.

Sponsored by the Reno YWCA the Nevada girl's camp at Zephyr Cove pened for the summer season July 11. To be featured this season are beach games and parties, classes in nature study, music, cooking, dancing, arts, and crafts and swimming. Miss Mary Virginia Craig of Uniontown, Pa., will act as camp counselor and Miss Gertrude Geopfarth of Reno will serve as camp director.

Charles Dawdnay of Tahoe was fined $100 by Justice of the Peace Harry Dunseath of Reno, following his arrest by Deputy Sheriff Roger Amberger on the state highway charged with reckless driving.

Mr. and Mrs. Melvin Garcia spent several days at Tahoe last week honeymooning following their wedding in Reno last Thursday. The bride is the daughter of Mr. and Mrs. Bert Sherman of American Falls. They will make their home in Sacramento.

Other newlyweds honeymooning at Tahoe shores are Mr. and Mrs. Joseph Forbes of Orland at Carson City on July 2. The bride was formerly Miss Hazel Madsen, a teacher at the Orland grammar school.

The Alpine Club, one mile south of the Stateline, entertained a group of enthusiastic members from the U-Ump-Te club of Reno on Sunday, a barbeque picnic being the highlight of the day of varied entertainment. Eddie Vecchini, Jack Evershaw, Earl Lovejoy and Glenn Mills all of Reno, had charge of the affair.

Chick Welch former Tahoeite is being employed at the Alpine Club for the summer season.

Mrs. Violet Pomin is assisting Postmaster Janet Wilson in distributing the mail in the Tahoe City Postoffice during the summer mon-

HOBART MILLS NEWS

Recent visitors at the home of E. C. Murray were Mr. and Mrs. Albert Heinbuch, and Mr. and Mrs. Anderson all of San Jose. Also Mr. E. W. Briggs, Mrs. Anna Cushion and Mr. and Mrs. Ray La Dine, who were week end guests of Mr. and Mrs. Murray.

Mr. and Mrs. Harry Edwards left last week for a vacation visit to different places in California, in hopes of finding a place to locate in the future.

William Cross is working on the Hobart Southern Train, and is being replaced at the round house by Jack Chubbuck.

Mr. and Mrs. George Lesselyong left Wednesday for Standard where they will make their home in the future, the Lesselyongs are among the older residents of Hobart Mills and their friends wish them success in their new home.

Mr. and Mrs. Salvador Uuettio entertained about forty friends at the summer camp at the head of Sage Hen Creek on Sunday. A delicious barbeque dinner was served to all present. Many guests from Reno, Truckee and Hobart Mills were preesnt. Outdoor games were enjoyed by all present.

T. K. Oliver was a business visitor in Sacramento over the week end

Mr. and Mrs. Charles Oliver and daughter of Reno were the guests of Mr. and Mrs. G. D. Oliver over the week end.

Mrs. Harold Percy entertained her card club at her home last Wednesday afternoon with the following ladies attending: Mrs. A. D. Murray, Mrs. George Lesselyong, Mrs. E. C. Murray, Mrs. Frank Wilson, Mrs. O. C. Landrith, Mrs. P. W. Lazier and Miss Helen Baldwin. Awards for high scores went to Mrs. A. D. Murray and Mrs. Percy. Mrs. Lesselyong and Mrs. A. D. Murray were guests of honor as they are leaving to make their homes at Standard.

Richard Burton of Lakeview Oregon, was a Hobart visitor last week.. Mr. Burton is running a sawmill at Lakeview and is a former resident of Hobart Mills.

W. J. Thomas who left Saturday afternoon for San Mateo to spend the week end with his family, returned home Tuesday. Mr. Thomas recently bought a new car from Dan Smith.

Alex Robertson spent most of last week at Nevada City, where the County Supervisors were in session.

Mrs. Hannah Stewart is in Grass Valley and employed temporarily at the J. C. Penny store.

Mrs. George Seymour accompanied by Miss Kay Williams of Brockway were Hobart visitors on Thursday of last week and continued on to Calpine for dinner in the evening.

The ycung daughter of Mr. and Mrs. Robert Hill was taken seriously ill on Sunday and Dr. Bernard was called out from Truckee. The baby is reported as very much improved and suffered from convulsion.

Mrs. Freeman, the nurse at the hospital who was a business visitor to San Francisco over the week end has returned.

Mr. and Mrs. E. E. Payne and family have returned from a months trip to eastern states, and Mr. Payne continued on to Sacramento for a few days where he is to undergo a minor operation. The Paynes have a summer home in Sardine Valley and are well known locally.

Mr. Harry Maggard of Lake Independence returned home Saturday from San Francisco where he accompanied the remains of his wife. The funeral was held on Friday in San Francisco.

Mr. and Mrs. Joe Jouett who spent the week end in Santa Cruz have returned home, and resumed their work.

Louis Cavallo of Reno was a Hobart visitor on Sunday.

Will Stelzner of Creagle was a Hobart visitor on Sunday. Mr. Stelzner is a former resident of Hobart Mills.

Mr. and Mrs. E. C. Murray accompanied by Murray's father Edwin Murray visited at the home of Mr. and Mrs. George Seymour of Brockway last Sunday.

Mr. and Mrs. A. D. Murray have gone to Standard where they will make their future home.

Leonard Lagerson of Nevada City was a Hobart visitor on Monday, coming here to test the scales for the Construction Company working on the highway north of town. And was accompanied by Mrs. Nellie Clark who visited at the home of Mr. and Mrs. Frank Wilson for the day.

Mr. and Mrs. O. C. Landreth and family accompanied by Mrs. Landrith's sister Miss Helen Baldwin, who is their guest from San Leandro picniced with other family members at Cottonwood Creek on Sunday, Mr. and Mrs. Dan Baldwin and family coming from Quincy.

Mr. P. W. Lazier has accepted a position with the Truckee Mercantile Company at Truckee and with his wife will make their home in Truckee in the future. Mr. Lazier has been clerking in the Hobart Estate Store for many years and acted as manager for several years of that time.

The best wishes of their many friends go with Mr. and Mrs. Lazier.

Mr. and Mrs. G. E. McLeod and son Johnnie accompanied Mr. and Mrs. Dundas and son of Truckee on a trip to Grass Valley and vincinity where they visited relatives and friends on Sunday.

ths. This answers a long felt need for additional help, especially during the height of the season when the long line of vacationists seeking general delivery appears endless.

Miss Marcella Walker pretty niece of Patrolman Gene Walker of Tahoe is the lucky miss who won the Placer County nomination to compete for the state title of California's outstanding outdoor girl at the Salinas Rodeo July 15-18. Miss Walker, summers annually at Tahoe, is an expert horsewoman having been raised in a saddle. She also received all the required credits in her school work which were necessary for eligibility to compete and has an excellent chance to win the first grand prize. namely a trip to Mexico accompanied by a chaperone, with all expenses paid! Good luck Marcella!

The Friday club of Carson met for an end-of-season luncheon at Cal-Neva n Wednesday last. Thirteen members from Carson, headed by their president, Mrs. G. B. Spradling, attended and enjoyed the occasion.

Mrs. Irene Bell of "Renes Bean Pot' last Thursday eve entertained fifty guests in honor of Miss Pearl Campbell who is leaving for St. Louis Mo.

Dancing and refreshments were enjoyed.

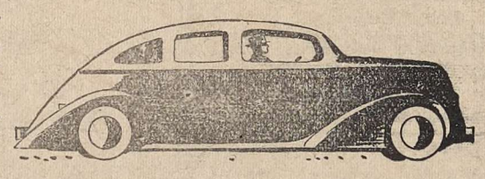
MILEAGE SERVICE MEANS...

A BETTER RUNNING CAR

If services are not given exactly as your car manufacturer specifies—air-cleaner, transmission and differential, tires, battery, etc., your car will lose efficiency. Because Mileage Service takes *complete* care of your car—because it gives all the services specified by your car manufacturer—air-cleaner, transmission, tires, battery, etc., your car is kept constantly in perfect condition—you get the better running car your car manufacturer intended you to have.



FOR LESS MONEY

Mileage Service *prevents* troubles. Saves on operating cost—every month. Because you know exactly what has been done to your car. You avoid unnecessary and duplicating services that are the result of guessing and hit or miss service.

You save on gasoline too, because the many services specified by your car manufacturer are done at the proper intervals.

You get Mileage Service at Smiling Associated Dealers.

Christian Science

"Life" will be the subject of the Lesson-Sermon Sunday, uly 18, in all Churches of hrist, Scientist, branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Now that the dead are raised, even Moses shewed at the brush, when he calleth the Lord the God of Abraham, and the God of Isaac, and the God of Jacob. For he is not a God of the dead, but of the living: for all live unto him" (Luke 20: 37, 38).

YOSEMITE BREAKS VISITING RECORD

Yosemite NP, July, 15, —(UP)— Ideal camping conditions and ideal weather brought the greatest number of early season visitors in Yosemite's history, park rangers said.

The waterfalls, leading scenic attraction here, are running at high volume much later than usual because of last winter's heavy snowfalls.

PARKING UNDER BAY BRIDGE IS PROVIDED

Motorists using the San Francisco Oakland bridge are entitled to free 24-hour parking in a paved and fenced area beneath the approach on the San Francisco side.

Admission to the parking grounds is gained by presenting a ticket secured from a toll collector on the Oakland side.

The area is between third and 4th streets near the business district, with street cars available.

MOTORISTS IN STATE CONSUME MUCH GAS

California motorists consumed 1,459,993 gallons of gasoline in 1936 to lead all states except New York, federal figures received here revealed.

Patronize the Advertisers in The Sierra Sun.

172 WORK SHEETS FILED FROM THIS COUNTY IN PLAN

SACRAMENTO, July 15, —(UP)— Based on figures compiled by the regional office of the Agricultural Adjustment Administration, approximately 95 per cent of California's farms are represented in more than 150,000 work sheets filed under the new 1937 conservation program.

Estimates for this year place the number of farms and ranches taking part at considerably more than 70,000.

In Nevada county there were 172 work sheets filed.

All counties in the state except San Francisco county filed work sheets, which are the initial step toward participation in the new 1937 program. The federal government will pay nearly $7,000,000 to the state'' farmers under tarms of the program.

After the sheets are filed with the county agricultural conservation committees, applications for payments will be filed when performance has been determined and farmers actually have measured up to the program standards.

County committees are now making arrangements to check performance, and this phase of the program in California probably will be started early this month.

Payments for the 1936 program, totaling $4,000,000 now are being distributed.

Ten counties represented nearly 50 per cent of the 1937 sign-up, with a a total of 85,000. They were: Fresno, 12,601; San Joaquin, 11,$$$; Tulare, 10,421; Loes Angeles, 9,058; San eBrnardino, 7537; Riverside, 75,000; San Diego, 7239; Stanislaus, 7107; Santa Clara, 6585; Orange, 5724.

Do you get a kick out of a golf ball's click when you really lean into one on the tee?

Does your heart beat faster when the big fish strikes, and your singing reel almost smokes?

Can a brisk breeze and a taut sail make you feel like a kid again, forgetting care in the sheer joy of action?

Mister, if you're like that, what a bang you'll get out of this big Buick!

You'll go for the way it goes for you. You'll like the quick, eager spurt of its get-away, the buoyant, swayless steadiness of its travel.

You'll thrill to the businesslike manner in which it settles to the pull, its quiet, dogged competence in long, tough going.

You'll welcome the way it cradles you over the bumps, the neat, compact, handily mobile feel of it. You'll be proudly aware of its beauty, of the picture you make riding in its this-minute style.

But don't forget this major thing—it's the buy of the season, price-wise as well as on performance! It's *still* selling at the *lowest price in all Buick history*—you can *still* get a big Buick eight for less than some sixes would cost you.

So don't hold back. Good things, you know, can't last forever. Don't pass up a buy such as Buick is at its low prices now.
